

11. Enter your Name, Institution (if applicable), Serial Number or ID, and Email. For Teacher Computer at Home and Student Computer at Home installations the email address must be unique to that teacher or student. Click Activate via Web. The computer must be connected to the internet for this to be successful.

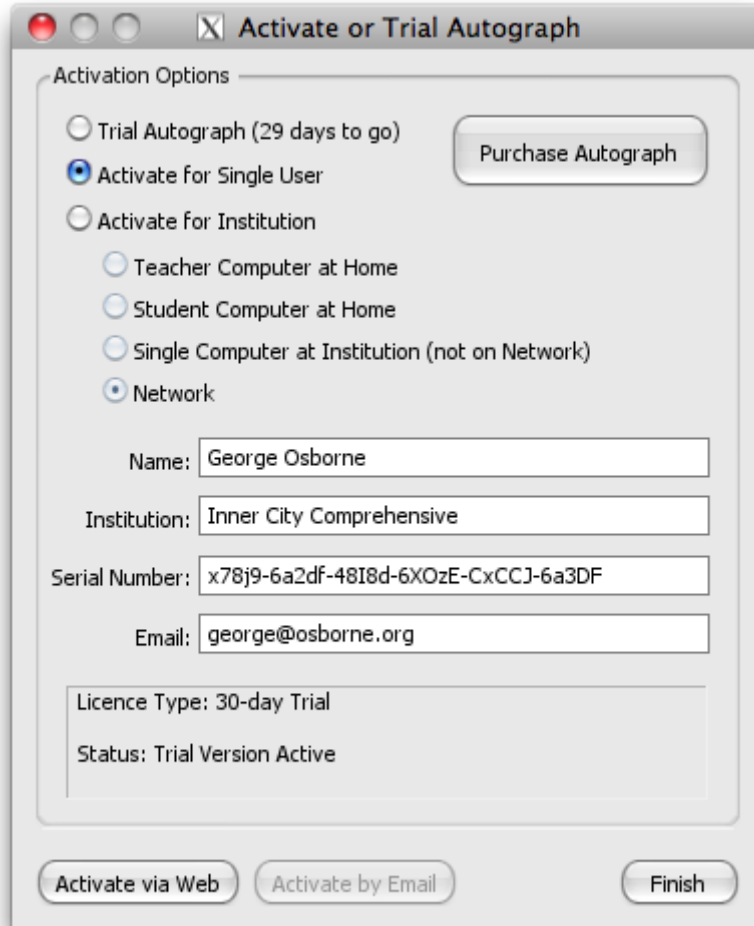

Figure 9. Entering licence details

12. In the Web Activation dialog click Activate now.

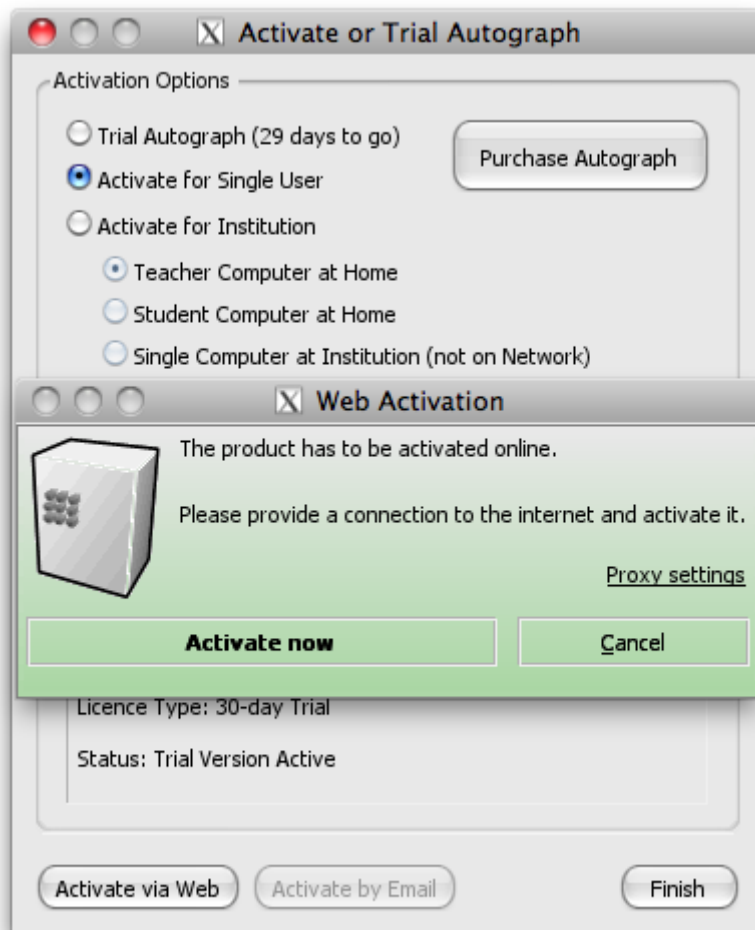

Figure 10. Web Activation

13. The Activation Progress dialog will appear for a few seconds.

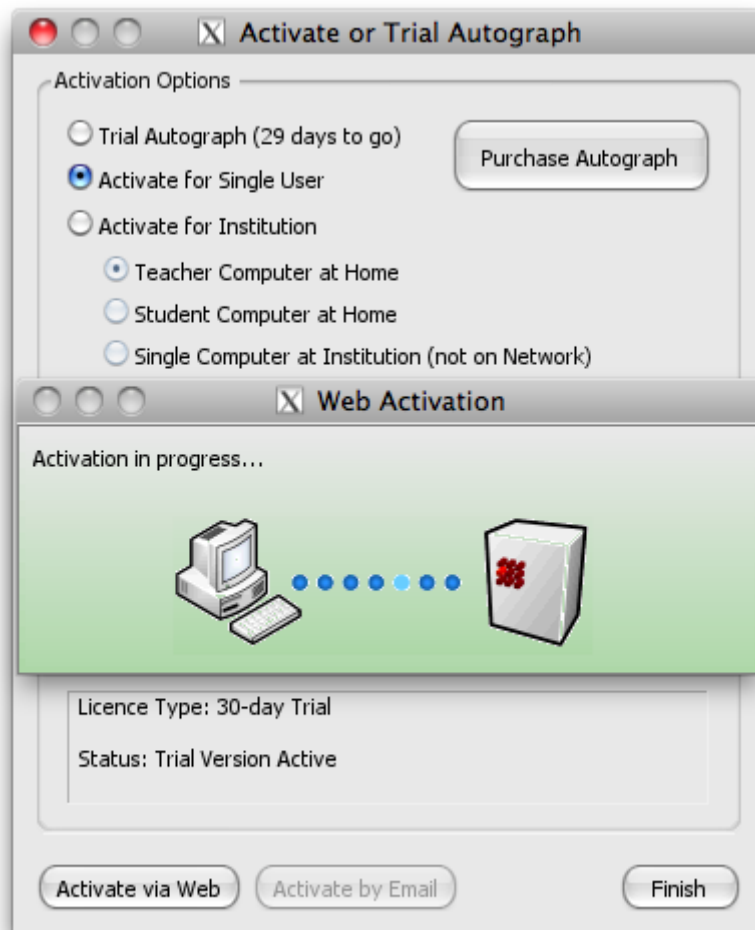

Figure 11. Activation in progress...

14. When the activation succeeds you will see the Online Activation was successful dialog. Click Close and then Finish and you will have completed the installation of Autograph.

If the activation was not successful check your internet connection and try again.
